

Marlinettes Stage Annual Swim Show

Tickets are now on sale for the 1965 production of the Marlinettes, Grand Blanc's synchronized swim club's annual show "Moments to Remember".

Going into its second year the club, organized and headed by Mrs. Marcia Dresch has been working toward this Production to be presented at the Grand Blanc Pool, April 9 and 10 at 8:15 p.m.

"Moments to Remember" will have seventeen acts and spotlights the four seasons with emphasis on months and holidays.

The February highlight will be a co-ed duet by Cindy Purcell and Greg Blue. Another

specialty number will be a trio of seniors Colette Schulte, Gena Rossie and Judy Rogers in a June graduation number "Pomp and Circumstance".

With lights out and sparkling batons three of Grand Blanc's Varsity Majorettes Theresa Dougherty, Claudia Dunlap and Carole Aagesen will swim in the July Independence Day celebration.

Humor will be added by a male quintet of Greg Blue, Ed Olson, Ed Barnes, Frank Kane and Don Pickler in a November arrangement.

For December, Jeannie Stevenson, Club President will solo

to a Christmas Medley. The Finale, "Moments to Remember" will include a cast of 32 swimmers.

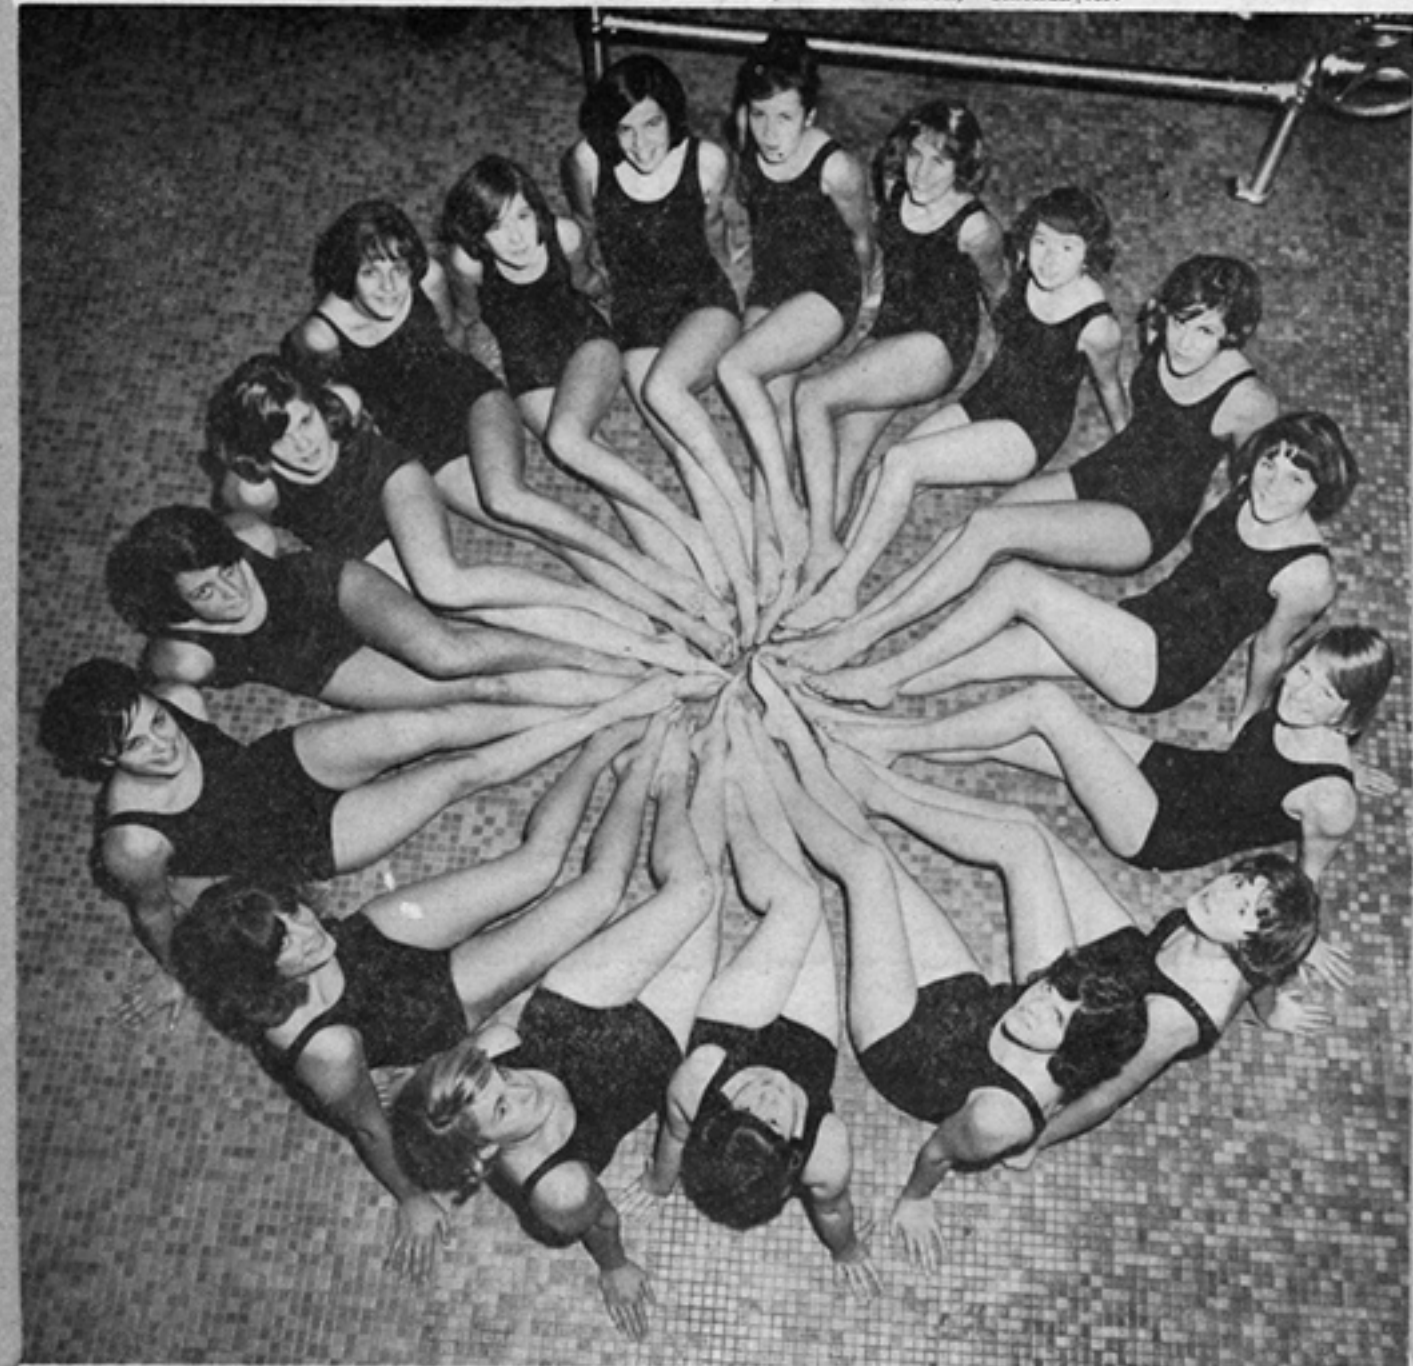

Costumes were designed by Mrs. Dresch and made by the girls and their mothers. Last year's splashing success may well be outdone by this year's exciting program.
